

# MAT RACK.

Extending the Escape Rigid Rack range, the MATRACK attachment enables a dedicated space saving solution for matting.

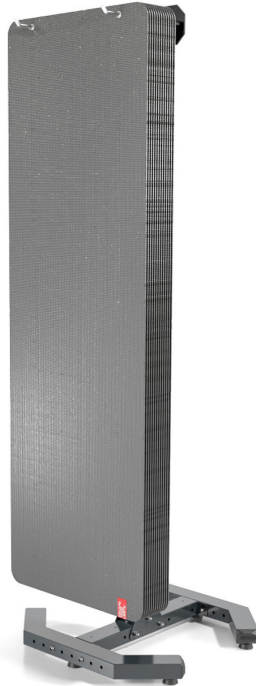

## KEY FEATURES:

- Space efficient storage option.
- Minimal footprint but maximum impact, the MATRACK will store either 65 Yoga Mats, 25 Core Mats or 25 Flex Mats on each side.
- Configurable in either a single or a double sided option.

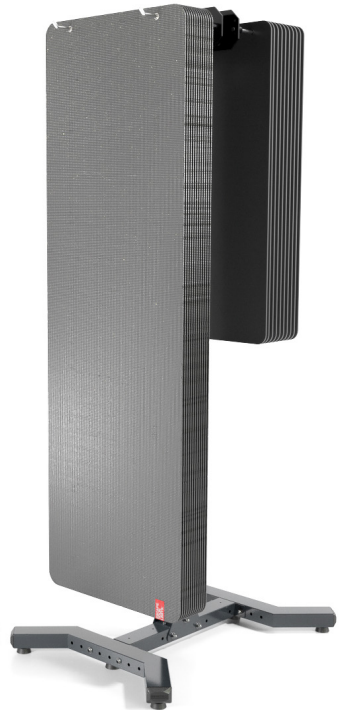

## TOP BENEFITS:

- Premium and sleek design and sits alongside the rest of the Escape Rigid Storage Racks.
- Long pins provide optimum storage within minimal space.
- Prolong equipment life: by storing mats away safely, facilities can reduce the ongoing wear and tear of matting that's left out in gym or studio spaces.
